

Debrecen Destination Fact Sheet

In recent years, Debrecen has become an exclusive international conference destination, with excellent venues and features available to satisfy all kinds of demands, from events for a few people to series of events for several days with thousands of participants. The city hosts several hundred conferences every year, including business, scientific, professional, cultural, religious and civil society events.

The city's capacity for tourism provides opportunities for organising conferences of international significance or international sports events attracting several thousand visitors. The four and five-star hotels in Debrecen offer visitors a pleasant stay with special gastronomic experiences and services to satisfy at the highest levels.
